RESOLUTION NO. 17
October 20, 1986

STANDARDS BY WHICH THE ADMINISTRATOR OF THE EQUAL OPPORTUNITY COMPLIANCE OFFICE DETERMINES WHICH FIRMS WITH FIFTEEN (15) OR MORE EMPLOYEES WILL BE ELIGIBLE TO BID ON COUNTY CONTRACTS

WHEREAS, the Board of Commissioners of Shelby County Government has heretofore through various resolutions taken action to assure that the County of Shelby is an "Equal Opportunity Employer"; and

WHEREAS, The Shelby County Charter, Article V, Section 5.13(B)(G) gives the Administrator of Equal Opportunity Compliance Office the power, among other things, to require that each firm or business contracting with the County, submit with their proposals and/or bids, statistics revealing the percentage and number of minority employees at all levels of said firm or business; and

WHEREAS, it has been determined by the Board of Commissioners from the information gathered by the Administrator of the Equal Opportunity Compliance Office that the percentage of minority employment in many firms with fifteen (15) or more employees that contract with the County does not approximate the percentage of minority population in the civilian labor force in the firm's geographical area; and

WHEREAS, It is now the desire of the Board of Commissioners to require that firms that contract with the County have employment profiles that reflect the demography of the civilian labor force in their geographical area as determined by the Standard Metropolitan Statistical Area established by the Office of Management and Budget of the United States Government.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF SHELBY COUNTY, TENNESSEE, that the following procedures shall be used by the Administrator of Equal Opportunity Compliance to determine when and under what circumstances a firm with fifteen (15) or more employees should be considered an equal opportunity employer that should be allowed to bid on County contracts.

BE IT FURTHER RESOLVED, that the standard for determining whether a firm with fifteen (15) or more employees is an equal opportunity employer that should be allowed to bid on County contracts shall be the percentage of minorities in the civilian labor force in the firm's geographical area as established by the Standard Metropolitan Statistical Area (SMSA) compiled by the Office of Management and Budget of the United States Government.

BE IT FURTHER RESOLVED, that a firm that is within 90% of compliance with the minority SMSA shall be considered an equal opportunity employer eligible to bid.

BE IT FURTHER RESOLVED, that a firm that is within 80% of compliance with the minority SMSA shall be considered an equal opportunity employer eligible to bid only upon the submission of an affirmative action plan satisfactory to the Administrator of Equal Opportunity Compliance.

BE IT FURTHER RESOLVED, that a firm that is within 50% of compliance with the minority SMSA shall be considered an equal opportunity employer eligible to bid only upon a showing of extenuating circumstances and the submission of an affirmative action plan satisfactory to the Administrator of Equal Opportunity Compliance.

BE IT FURTHER RESOLVED, that a firm that is within less than 50% of compliance with the minority SMSA shall not be considered an equal opportunity employer eligible to bid on County contracts by the Administrator of Equal Opportunity Compliance.

BE IT FURTHER RESOLVED, that notwithstanding the presence of a percentage of minority employees in a firm equal to the minority SMSA for that firm's geographical area, overrepresentation of minorities in lower paying jobs or underrepresentation in other categories may be a basis for a determination by the Administrator of Equal Opportunity Compliance, that said firm is not an equal opportunity employer.

BE IT FURTHER RESOLVED, that any determination made by the Administrator of Equal Opportunity Compliance pursuant to the procedures set forth herein shall be subject to an Administrative appeal process which shall be established by the Office of the Chairman of the County Commission.

BE IT FURTHER RESOLVED, that this resolution shall take effect upon its approval, the public welfare requiring it.

INTRODUCTION

Shelby County Government has introduced a Locally-Owned Small Business (hereinafter referred to as LOSB) program which is designed to enable locally-owned small businesses to compete with larger businesses in bidding on County contracts for goods and services.

QUALIFICATIONS

To participate in the LOSB program, a business must be certified by Shelby County Government Office of Equal Opportunity Compliance (EOC).

To qualify as a LOSB, a business must meet the following criteria:

- A. LOSB shall mean a sole proprietorship, corporation, partnership, joint venture or any other business or professional entity which has average annual sales in the past three years of five million dollars (\$5,000,000.00) or less.
- B. A business net worth not exceeding Five Million Dollars (\$5,000,000.00) and an owner net worth not exceeding One Million Dollars (\$1,000,000.00). The said net worth of the business and the owner shall be compiled by a Certified Public Accountant in accordance with general accepted accounting practices and submitted to the County.
- C. The entity must be at least 51% owned, operated and controlled by a Shelby County resident and confined within the boundaries of Shelby County, TN.
- D. The entity must comply with current EOC eligibility requirements.

Failure of a business to meet these requirements will result in that business being ineligible to participate in the LOSB program. However, your company may still qualify for an EOC certification number.

If a firm disagrees with the decision of EOC, it may appeal to The Shelby County Board of Commissioners. The decision of the Board or designee shall be final.

RULES AND REGULATIONS

The following rules and regulations shall govern the LOSB program. Please note the provisions of paragraph (E) which allows for the adoption or amendment of rules and regulations governing this program. Any such changes shall be published and available from the Shelby County Office of Equal Opportunity Compliance.

- A. On all purchases and/or contracts entered into by the County, the County shall have the right to negotiate with any supplier of goods or services to the County for the inclusion of small business subcontractors and/or suppliers in the contract award.
- B. Any small business awarded a contract or purchase order under this section shall not subcontract or assign any work or services awarded to it without the prior written consent of the County.

- C. As to those purchases below the sealed bid amount of twenty-five thousand dollars (\$25,000) or less, the Administrator of Purchasing shall determine if any small business offers that product or service. If so, at least two such eligible locally-owned small businesses shall be included in the vendors contacted for an opportunity to bid.
- D. The Administrator of Purchasing, upon approval of the County Mayor, may establish special insurance and bonding requirements for certified small businesses so long as they are not in conflict with the laws of the State of Tennessee.
- E. The Administrator of Purchasing, with the approval of the County Mayor, shall adopt and promulgate and may from time to time amend the rules and regulations not inconsistent with the provisions established by ordinance, governing the purchase of goods and services from small business concerns to effectuate and implement the LOSB purchasing program within the intent of the ordinance.
- F. The Administrator of EOC shall, in conjunction with the Administrator of Purchasing, provide a written quarterly report to the Mayor and Board of Commissioners which shall include a summary of purchases selected for this program, a listing of the contracts awarded to small businesses for the period, the dollar amount of each such contract, and the percentage which such contracts bear to the total amount of purchases for the period.

ELIGIBILITY FOR LOSB PURCHASING PROGRAM

- I. In order to qualify for consideration as a supplier or contractor for any portion of supplies, equipment and services established and identified under this section, the business defined herein shall:
 - A. Complete and submit all necessary forms for eligibility certification to the Administrator of EOC at least thirty (30) days prior to the submittal of any bids or quotes on County purchases under this section. The company must qualify for an EOC number in order to qualify for an LOSB number (Complete Exhibit A). NOTE: LOSB applicants who are ineligible due to employment statistics but successfully appeal to the appeals board will be eligible to receive an EOC certification number. LOSB applicants who receive an exception will not be eligible to bid as an LOSB.
 - B. Submit a written request for annual re-certification in compliance with the rules set forth above. The County may at any time, not more than quarterly, request additional information to determine whether a small business has exceeded the dollar limit.
 - C. The County may decertify or disqualify at any time any small business that is in non-compliance with any of the provisions of this program.

- II. EOC will review the information submitted and other information deemed necessary to make a determination of eligibility. Within fifteen (15) days of the receipt of the required information, EOC will advise the applicant in writing as to its eligibility.
- III. If EOC determines that the business is not eligible, written communication to the business shall include a detailed statement of the reasons for ineligibility.
- IV. Any business that is in non-compliance must petition EOC for a review of this decision within ten (10) days of their receipt of notification of ineligibility. If after review by EOC, eligibility is still denied, such business may submit the matter to The Shelby County Board of Commissioners or designee for an independent review and determination. The decision of the Board or designee shall be final.

DEFINITIONS

- I. "Business" shall mean and include individuals, sole proprietorships, unincorporated groups or associations, partnerships, corporations, joint ventures and every other form of business entity.
- II. "Goods and services" shall mean and include supplies, materials, commodities, equipment, labor, rental or lease of supplies, materials, commodities and equipment.
- III. "Joint Ventures and consortiums" shall mean those business entities that are formed to contract with Shelby County Government through the LOSB program. These entities shall have written agreements which demonstrate that the eligible small business as defined therein has a beneficial ownership interest of no less than fifty-one percent (51 %) and shall be involved in the daily management and control of the project.

 - B. If the business is a corporation, a copy of the corporation charter and a copy of the business license must be submitted.
 - C. If the business is a joint venture, a copy of the joint venture agreement and a copy of the business license must be submitted.

TENNESSEE DEPARTMENT
OF TRANSPORTATION

DBE REQUIREMENTS

FACT SHEET

TENNESSEE SMALL BUSINESS DEVELOPMENT/DISADVANTAGED BUSINESS ENTERPRISE (DBE) PROGRAM SMALL BUSINESS DEVELOPMENT OFFICE

What is the program?

This program was developed by the Federal Highway Administration and is administered by the Tennessee Department of Transportation to encourage minority, female, and other disadvantaged firms to work in the highway/bridge industry. Both state and federal construction projects and monies are included in it.

Who can qualify as a DBE?

There are several eligibility criteria for certification. As these conditions are met certification can be granted:

1. Your firm must be an existing "for-profit" business that is currently operational.
2. Your firm must be an independent business. If it is a subsidiary of a corporation, your firm must still operate in a self-sufficient manner.
3. Your firm must meet the federal definition of a small business concern.
4. Owners must meet the federal definition of "socially and economically disadvantaged." Women and certain minorities are presumed to fit the definition.
5. Owners must possess the expertise to control the daily operations and management of the firm.
6. Owners must be able to show ownership of at least 51% of the firm through real and substantial investments of capital.
7. Owners' net worth must not be over \$750,000. (excluding personal residence and stock/ownership in the potential DBE firm).

Call the Small Business Development Office in Nashville at (615) 741-3681 or 1-888-370-3647 for further information or check our web-site www.tdot.state.tn.us

What happens once I am a DBE?

Once certified, your firm is placed on a statewide list of firms showing contractors that you are certified and listing your work areas. ***You must be certified at the time that the prime contractor submits a bid to TDOT.***

DBE certification does not guarantee that you will get TDOT work. But if you perform good work at competitive prices, you have an advantage on projects with DBE goals.

As a TDOT DBE you are eligible to receive group and individualized training and technical assistance to increase your efficiency and profits. The Small Business Development Office headquartered in Nashville provides this without cost to you.

TENNESSEE UNIFORM CERTIFICATION PROGRAM (TNUCP)

Thank you for your interest in participating in the Tennessee Uniform Certification Program (TNUCP) to become a Disadvantaged Business Enterprise (DBE)/Airport Concession Disadvantaged Business Enterprise (ACDBE). Our DBE objective is to ensure that disadvantaged business firms have the maximum opportunity to participate in DOT assisted contracts.

The TNUCP is charged with the responsibility of certifying firms for the purpose of maintaining a database of certified DBEs for the United States Department of Transportation (U.S. DOT) grantees in the state of Tennessee. This is pursuant to the Final Rule 49 Code of Federal Regulations (CFR) Part 26 that requires U.S. DOT recipients to take part in a statewide uniform certification process.

Please complete the attached application if you wish to be considered for DBE certification. In order to avoid unnecessary delays, please complete all portions of the Uniform Certification Application and include all copies of documents requested on the application. In addition, the Affidavit of Certification and the Personal Financial Statement must both be notarized.

Additional documentation may be requested if it is considered necessary to make a certification determination. Incomplete applications will not be evaluated until all requested documentation has been submitted for review. We highly recommend that you keep a copy of all submitted documents for your records.

It is no longer necessary to apply for DBE certification at more than one of the member agencies. If your firm meets the criteria for certification, it will be entered in the TNUCP database. Only firms currently certified as eligible DBEs for the TNUCP may participate in the DBE program of U.S. DOT grantees within the state of Tennessee. The TNUCP is not required to process an application for certification from a firm having its principal place of business outside the state of Tennessee if the firm is not certified in its home state. If the firm has its principal place of business in another state and is currently certified in that state, please contact the Tennessee Department of Transportation.

To participate in the TNUCP DBE/ACDBE program, please send the completed application and all supporting documentation to the appropriate member agency listed on the following page.

The following member agencies process DBE applications. Please forward your completed certification packet to one of the agencies serving the area where your firm has its principal place of business:

UNIFORM CERTIFICATION APPLICATION

ROADMAP FOR APPLICANTS

N Should I apply?

- Is your firm at least 51%-owned by a socially and economically disadvantaged individual(s) who also controls the firm?
- Is the disadvantaged owner a U.S. citizen or lawfully admitted permanent resident of the U.S.?
- Is your firm a small business that meets the Small Business Administration's (SBA's) size standard and does not exceed \$20.41 million in gross annual receipts?

If you are currently certified by the SBA as an 8(a) and/or SDB firm, you may be eligible for a streamlined certification application process. Under this process, the certifying agency to which you are applying will accept your current SBA application package in lieu of requiring you to fill out and submit this form. **NOTE: You must still meet the requirements for the DBE program, including undergoing an on-site review.**

¶ Be sure to attach all of the required documents listed in the Documents Check List at the end of this form with your completed application.

INSTRUCTIONS FOR COMPLETING THE DISADVANTAGED BUSINESS ENTERPRISE (DBE) PROGRAM UNIFORM CERTIFICATION APPLICATION

NOTE: If you require additional space for any question in this application, please attach additional sheets or copies as needed, taking care to indicate on each attached sheet/copy the section and number of this application to which it refers.

Section 1: CERTIFICATION INFORMATION

A. Prior/Other Certifications

Check the appropriate box indicating for which program your firm is currently certified. If you are already certified as a DBE/ACDBE, indicate in the appropriate box the name of the certifying agency that has previously certified your firm, and also indicate whether your firm has undergone an onsite visit. If your firm has already undergone an onsite visit/review, indicate the most recent date of that review and the state UCP that conducted the review.

NOTE: If your firm is currently certified under the SBA's 8(a) and/or SDB programs, you may not have to complete this application. You should contact your state UCP to find out about a streamlined application process for firms that are already certified under the 8(a) and SDB programs.

B. Prior/Other Applications and Privileges

Indicate whether your firm or any of the persons listed has ever withdrawn an application for a DBE program or an SBA 8(a) or SDB program, or whether any have ever been denied certification, decertified, debarred, suspended, or had bidding privileges denied or restricted by any state or local agency or Federal entity. If your answer is yes, indicate the date of such action, identify the name of the agency, and explain fully the nature of the action in the space provided.

- (4) Give the date on which you and/or each other owner took ownership of the firm.
- (5) Check the appropriate box that describes the manner in which you and each other owner acquired ownership of your firm. If you checked "Other," explain in the space provided.
- (6) Check the appropriate box that indicates whether your firm is "for profit."

NOTE: If you checked "No," then you do NOT qualify for the DBE program and therefore do not need to complete the rest of this application. The DBE program requires all participating firms be for-profit enterprises.

- (7) Check the appropriate box that describes the legal form of ownership of your firm, as indicated in your firm's Articles of Incorporation. If you checked "Other," briefly explain in the space provided.
- (8) Check the appropriate box that indicates whether your firm has ever existed under different ownership, a different type of ownership, or a different name. If you checked "Yes," specify which and briefly explain the circumstances in the space provided.

If you answered "Yes," then specify the name of the other firm(s) and briefly explain the nature of the shared facilities or other items in the space provided.
- (2) Check the appropriate box that indicates whether at present, or at any time in the past:
 - (a) your firm has been a subsidiary of any other firm;
 - (b) your firm consisted of a partnership in which one or more of the partners are other firms;
 - (c) your firm has owned any percentage of any other firm; and

If this owner is neither a U.S. citizen nor a lawfully admitted permanent resident of the U.S., then this owner is NOT eligible for certification as a DBE owner. This, however, does not necessarily disqualify your firm altogether from the DBE program if another owner is a U.S. citizen or lawfully admitted permanent resident and meets the program's other qualifying requirements.

B. Ownership Interest

- (1) State the number of years during which this owner has been an owner of your firm.
